Re: *MDL 2804 – Persons with Knowledge*

Counsel,

I write in connection with Walgreens' disclosure of persons and entities with knowledge for Case Track Three.

Pursuant to this disclosure, Walgreens directs Plaintiffs to Exhibit A. Walgreens also incorporates by reference any individuals or entities disclosed through the Track 1B Retail Pharmacy Defendants' May 19, 2020 Identification of Persons and Entities with Knowledge (attached as Exhibit B), Pharmacy Defendants' Track 1B Witness List (attached as Exhibit C), and Walgreens' Track 1B Witness List (attached as Exhibit D).

Walgreens also incorporates by reference any individuals or entities disclosed in its or any other party's discovery responses, including without limitation the Food and Drug Administration, Drug Enforcement Administration (including without limitation any witnesses identified by this entity for deposition such as Claire Brennan), the Ohio Board of Pharmacy, the State Medical Board of Ohio, Lake County, Trumbull County, state and local law enforcement, pharmaceutical manufacturers, wholesale drug distributors, national chain pharmacies, independent pharmacies, pharmacists who dispensed Opioids to patients in the Track Three jurisdictions, the Ohio Pharmacist Association, physicians who prescribed Opioids to patients in the Track Three jurisdictions, the Ohio State Medical Association, and insurance companies who provided coverage for Opioids dispensed in the Track Three jurisdictions.

Walgreens further identifies its own custodians and pharmacists as disclosed to Plaintiffs, and the custodians and persons or entities with knowledge disclosed by the other parties (including Plaintiffs) in these cases. Walgreens further identifies each individual or entity who has been named in any party's discovery responses (including the discovery responses incorporated by reference), and each witness who has been or will be noticed or subpoenaed for a deposition in these cases. Walgreens will disclose its Track Three experts according to the schedule set by the Court.

In including an individual or entity in this disclosure, Walgreens does not concede that the individual or entity is a proper subject for discovery, deposition, or trial and reserves all objections. Walgreens' investigation is ongoing, in particular given the significant productions from Plaintiffs received only in the last few days and outstanding discovery disputes. Walgreens

reserves all rights to amend this disclosure to add or remove persons and entities with relevant knowledge for any reason, including but not limited to in response to ongoing discovery or any rulings or orders that may expand or restrict the issues in the case. Walgreens further reserves the right to call trial witnesses not included in this disclosure in rebuttal to Plaintiffs' case.

Thank you,

A handwritten signature in black ink, appearing to read "Sharon Desh". The signature is fluid and cursive, with a large initial "S" and a distinct "D" for "Desh".

**IN RE: NATIONAL PRESCRIPTION
OPIATE LITIGATION**

THIS DOCUMENT RELATES TO:
*Track One-B Cases*¹

MDL NO. 2804

Civ. No. 1:17-md-02804-DAP

HON. JUDGE DAN A. POLSTER

**TRACK 1B RETAIL PHARMACY DEFENDANTS' IDENTIFICATION OF PERSONS
AND ENTITIES WITH KNOWLEDGE**

The Track 1B Retail Pharmacy Defendants² make this submission pursuant to Special Master Cohen's oral ruling during the May 13, 2020 discovery conference requiring the Retail Pharmacy Defendants to provide an aggregated submission to plaintiffs of "persons and entities with relevant knowledge" in connection with plaintiffs' distribution allegations and the Track 1B trial set for November 2020 (the "Ruling"). Pursuant to the Ruling, the Retail Pharmacy Defendants' joint list of "persons and entities with relevant knowledge" is attached as Exhibit A, and the Retail Pharmacy Defendants' individual lists of "persons and entities with relevant knowledge" are attached as Exhibits B (CVS), C (Discount Drug Mart), D (Giant Eagle), E (Rite Aid), F (Walgreens), and G (Walmart). In addition, the Retail Pharmacy Defendants hereby

¹ The Track One-B Cases are: County of Summit, Ohio, et al. v. Purdue Pharma L.P., et al., Case No. 18-op-45090 (N.D. Ohio); and The County of Cuyahoga, Ohio, et al. v. Purdue Pharma L.P., et al., Case No. 17-op-45004 (N.D. Ohio).

² CVS Pharmacy, Inc. and Ohio CVS, L.L.C. ("CVS"), Rite Aid of Maryland, Inc. d/b/a Mid-Atlantic Customer Support Center ("Rite Aid"), Walgreen Co. ("Walgreens"), HBC Service Company, an unincorporated operating division of Giant Eagle, Inc. ("Giant Eagle"), Discount Drug Mart Inc. ("DDM"), and Walmart Inc. ("Walmart").

incorporate by reference plaintiffs' April 27, 2020 list of "persons and entities with relevant knowledge" as if fully set forth herein. In including an individual on the attached lists, the Retail Pharmacy Defendants do not concede that the individual is a proper trial witness and reserve all objections to any testimony from that individual.

The Retail Pharmacy Defendants reserve all rights to amend these lists to add or remove "persons and entities with relevant knowledge," including but not limited to in response to any rulings or orders resulting from the Track 1B status hearing set for May 28, 2020 or any future discovery or admissibility rulings by the Special Master or Judge Polster that may expand or restrict the issues in the case. The Retail Pharmacy Defendants further reserve the right call trial witnesses not included in these lists in rebuttal to plaintiffs' case.

Pharmacy Defendants reserve the right to supplement and/or amend this witness list as the result of ongoing depositions in this action. Pharmacy Defendants also reserve the right to supplement and/or to amend this list with any witnesses identified on any party's witness lists, including witness lists provided by Plaintiffs and individual Defendants, and including any party who later settles or is severed or dismissed.
